- Bands must play a two (2) hour session beginning at 8 PM and ending at 10 PM with a 10-15 minute break. Set up will be between the hours of 6 PM to 8 PM on date of performance.
- The city will not be providing an employee to watch equipment prior to concert time.
- Sale items are to be displayed at the south side of the amphitheater.
- Tables may not be placed in walkway area.
- Sound equipment needs to be located on the stage area or at approved location. Cords and cables are not to be placed across walkways unless authorized by city staff. Walkways are to be kept clear of any obstacles that can create a safety hazard.
- Any sound amplified equipment shall not exceed 65 dB(A) across any property line of the park.
- W-9 forms must be submitted upon approval.
- Azle does not provide any type of sound equipment.
