Seth W. Christensen, J.D.
Chief of Media and Communications
Texas Division of Emergency Management

Dear Governor Abbott,

Please find attached a Disaster Declaration that I have signed and issued today as a result of the severe drought conditions that we are continuing to experience restricting the use of fireworks in Parker County (unless a permit is obtained).

Parker County is requesting an extension of the ban beyond the 60 hours allowed by law.

Your consideration in granting this request is greatly appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Pat Deen". The signature is written in a cursive, flowing style.
