

AZLE POLICE DEPARTMENT Press Release

November 18, 2022

On November 16, 2022, at approximately 10:00 pm, Azle Police Officers took a report of a missing elderly person who was identified as Ella Arn, a resident of Azle. Mrs. Arn's information was entered into a state-wide database system, along with her vehicle information. Law enforcement was unable to track Mrs. Arn's movement as she did not possess a GPS device or cell phone for that purpose. Our Criminal Investigations Division determined places Mrs. Arn had stopped; however, law enforcement was unable to intercept her.

On the evening of November 17, 2022, the Department of Public Safety notified our department that Mrs. Arn was involved in a serious motor vehicle collision in Reeves County. The Department of Public Safety is investigating the collision. The Azle Police Department regrets to report that Mrs. Arn did not survive the injuries sustained during the collision.
